OTHER BUSINESS:

- The County of Sacramento is proposing to amend the Zoning Code and County Code to further regulate massage establishments. The intent of the proposed amendments is to align the County’s regulatory framework with State law and provide additional enforcement tools to address massage establishments engaged in illicit activities.

- The County of Sacramento is proposing to amend the Zoning Code to add Urban Agriculture as an allowed use within residential, mixed use, commercial, and industrial zones. The intent of the proposal is to allow opportunities to improve food access in Sacramento County and, generally, will allow for the growing of produce in these zones for consumption or sale.

The proposal will also allow for the raising of egg laying chickens, egg laying ducks, rabbits and other small animals incidental to a permitted residential use and the keeping of a limited number of beehives incidental to a permitted residential, recreation, mixed, commercial or industrial use. Additionally, the proposal will allow for the use of urban agricultural stands to sell produce, eggs and other goods produced on the site of a private, market, and community garden.
