

Department Use Only

Supplemental Application Form, A-4

MINOR USE PERMIT

MODIFICATION OF A SINGLE FAMILY DWELLING TO INCLUDE MORE THAN FOUR BEDROOMS

If you are converting a single family dwelling to include more than four bedrooms, including additions, please answer the questions below. In all zoning districts, the modification of any dwelling to more than four bedrooms shall require a Minor Use Permit, subject to the development standards in Section 5.4.2.I. and findings in Section 6.4.2.C.2 in the Sacramento Zoning Code.

1. Number of Bedrooms:

- a. How many bedrooms does the residence currently have? _____
- b. How many bedrooms will the residence have after the conversion? _____

2. Parking Requirements:

- a. Do you meet the parking requirements? *(Proof of the required parking must be indicated on your site plan).*

For Room Conversions or Additions:	For Garage Conversions Only:
There are two off-street parking spots provided at the residence.	There is a permanent enclosed structure that provides two parking spots
Y / N	Y / N

3. Use of the Property:

- a. Is the home owner-occupied? Yes No
- b. If not, is the property registered with the Rental Housing Inspection Program (RHIP)?

- c. Will the home be operated as a supportive living facility?
