

Background

A set of changes to State statutes related to Accessory Dwelling Units (also known as ADUs, granny units, or secondary units) took effect January 1, 2020, and limit the ability of local jurisdictions to regulate ADUs. Specifically, any local regulations that include more restrictive standards than the State statutes are null and void.

To comply with the new State statutes, the Sacramento County Board of Supervisors adopted a Zoning Ordinance Amendment on December 16, 2020 that updated general ADU standards to match those of the State statute. Clarifying language was also added to Chapter One of the Sacramento County Zoning Code, specifying that State ADU regulations override all more restrictive regulations within areas governed by Special Planning Area (SPA) and Neighborhood Preservation Area (NPA) Ordinances.

1.7.3.A. Controlling Ordinance [AMENDED 1-15-2021]

1. Where the provisions of this Code differ from the provisions established within an area controlled by a project-specific zoning ordinance, the regulations of the project-specific zoning ordinance shall control, except as specified in 1.7.3.A.2.
2. Language of this Code shall supersede any more restrictive language within Titles IV, V, and VI regarding Accessory Dwelling Units or Junior Accessory Dwelling Units.

Applicable ADU Standards

This memo is to inform property owners and any other interested parties that the regulations found in this SPA or NPA document related to ADUs, if more restrictive than the State statute, shall be void. Further, the standards found in the Sacramento County Zoning Code, Sections 3.2.5, 3.9.3.D, and 5.4.5.B are to be utilized for determining zoning compliance.

Approved January 28, 2021

**Leighann Moffitt, Planning Director
Office of Planning and Environmental Review**
