1.
cont.

- Bike lockers and lighting.
- The DRAC commented that this will be a nice infill project, and appreciated the building design, site layout, pedestrian connectivity, and landscape coordination with the new landscaping recently developed by Burlington along the Florin Road and 65th Street frontages.

Action: The DRAC recommended (3 Yes, 0 No, 0 Absent) that the final hearing body find the project in substantial compliance with the Countywide Design Guidelines if the aforementioned items are addressed to the satisfaction of the Associate Landscape Architect and Design Review Administrator.

2 **PLNP2018-00240 – Mack Powell Event Center.**

- The DRAC explained that support columns will need to be internal rather than exterior so as to not interrupt the storefront.
- The Associate Landscape Architect explained that additional evergreen trees will be needed on the south and southwestern corners.

Action: The DRAC recommended (3 Yes, 0 No, 0 Absent) that the final hearing body find the project in substantial compliance with the Countywide Design Guidelines if the aforementioned items are addressed to the satisfaction of the Associate Landscape Architect and Design Review Administrator.

3. **PLNP2018-00132. Turnbull Place**

- The DRAC expressed concern of the number of trees impacted/ required to be removed by the project.
- The DRAC requested that home footprints be shown on the map to demonstrate that the lots are buildable given the grade change and number of trees on the property.
- The DRAC requested that defined home designs be provided and designed to acknowledge the grade of the site.
- The DRAC expressed concern that lots 6 and 9 may not be buildable.
- The DRAC requested that the density be reduced for a total of 4 to 5 parcels on the site due to topographic concerns and tree impacts.

Action: The DRAC recommended (3 Yes, 0 No, 0 Absent) that the final hearing body not find the project in substantial compliance with the Countywide Design Guidelines, however, the applicant may revise the project based on the aforementioned comments and bring the project back before the DRAC for reconsideration.
