

CLIMATE ACTION PLAN WORKSHOPS

Communitywide Greenhouse Gas Reduction & Climate Change Adaptation

You are invited to participate in the public workshops for the Communitywide Climate Action Plan

Climate Change Vulnerability

- What changes we can expect
- How the County will be affected
- What is currently being done and what else can be done
- Share ideas and provide feedback

Monday

February 6, 2017

6-8 p.m.

Arden-Dimick Library

891 Watt Ave., Sacramento, CA

Thursday

February 9, 2017

6-8 p.m.

Jean Harvie Community Center

14273 River Rd., Walnut Grove, CA

Both workshops will use the same materials and provide opportunities for feedback. Refreshments will be provided.

Unable to attend? You may submit your comments by email to:
ClimateActionPlan@SacCounty.net

Requests for interpreting services, assistive listening devices, or other considerations should be made no later than five working days prior to the meeting. Please contact Todd Taylor, Associate Planner, by dialing (916) 874-3125, or California Relay Service (CRS), a third party interpretation service for deaf, hard-of-hearing, and/or speech-impaired persons, by dialing 711 or (800) 735-2929.
