

UPPER WESTSIDE SPECIFIC PLAN | SCOPING MEETING SUMMARY

Sacramento County released a Notice of Preparation (NOP) of an Environmental Impact Report for the Upper Westside Specific Plan project and held two virtual scoping meetings at the following dates/times:

Agency Scoping Meeting

October 13, 2020, 3:00 – 4:00 pm

Public Scoping Meeting

October 13, 2020, 6:00 – 7:00 pm

The scoping meetings allow comments to be received on the scope of the environmental analysis in the Environmental Impact Report. The scoping meetings included a presentation by County staff followed by an opportunity for participants to provide comments. The following is a summary of the verbal questions and comments that were received.

Agency Scoping Meeting

- City of Sacramento
 - Cheryle Hodge
 - Question on the inclusion of Ag Buffer Area within the Specific Plan and the size of the Ag Buffer Area.
 - Question on the process and timing for annexation of the project into service districts.
 - Michael Hanebutt
 - Question on the change in the number of dwelling units since initiation.
 - Dana Repan
 - Question on potential annexation into the City.
- RD1000
 - Vince Geronimo
 - Request to add FEMA to list of agencies to coordinate with on flood control under Hydrology and Water Quality.

Public Scoping Meeting

- River Oaks Community Association
 - Z. Wayne Johnson
 - Request to take into consideration all previous comments that were provided.
 - Consider how Core Natomas will add to the traffic problems on W. El Camino, El Centro, and the on-ramps and off-ramps from I-80.
